Date	27.03.19

JW Part Number	JW Material/Part Description	Customer Part Number	Customer Drawing Number
		C157972Q C157974Q C157971Q C157973Q	

Description of Deviation	C157972Q – JW 171469-2 Replaced by JWC-FP-215368 C157974Q – JW 168830-02 Replaced by JWC-FP-215369 C157971Q – JW 171469-1 Replaced by JWC-FP-215370 C157973Q – JW 168830-1 Replaced by JWC-FP -215371
Need for Deviation	The quality plans have been completed to the original James Walker drawing numbers and all documentation still references the original drawing numbers. We can confirm that the new drawing numbers are the same in fit, form and function and that there are no deviations to the materials and sizes, it is purely a description change and a drawing number change.
Permanent Deviation?	Yes
Responsible Person and Role	Cheryl Edgeley-Trigger
Date, Signature	<i>C. Trigger</i> 27.03.19

Section 2. To be completed by customer

Accepted?	Yes/ No
Comments from Customer Contact	Accepted
